Dear One World Montessori Parents,

As we continue preparations for the 2008 Wine and Cheese Fundraiser, we have compiled a "wish list" of items we would like to offer in our live and silent auctions. If you have access to donations of any of these items, please let us know. We are providing for you copies of the letter we will be sending to merchants, requesting donations for the event. You may use these letters to request donations from the merchants you frequent; keep a few handy in your car for the next time you go out to dinner or go shopping! You are also receiving copies of the Merchant Donation Form, which the donor should fill out and give back to you or send to the school.

Thanks for your help and support; it is always appreciated!
