AFRICAN DRUMMER

On **Tuesday, May 18th**, the children will enjoy a performance by Pope Flynn, an African drummer, to expose them to African cultural experiences.

DIDJERIDU DREAMTIME

In support of our study of Australia, on **Tuesday, May 25th** we will explore the ancient magic of the Australian aboriginal didgeridoo with a performance by Stephen Kent. The Didgeridoo is a long, termite-hollowed, wooden trumpet made from a eucalyptus tree trunk that has been played by aborigines in their traditional cultures for millennia. Stories from the Dreamtime (Aboriginal culture before the colonization of Australia) are mixed with live music, audience participation, cultural history, and a lesson in circular breathing.

Stephen Kent's entertaining and accessible style is sure to inspire understanding of the connection between the Now and the Dreamtime.

MEMORIAL DAY

School will be closed **Monday, May 31st** for Memorial Day. There will be no school and no daycare.

LAST TWO WEEKS OF JUNE

Daycare is available for the last two weeks of June for Full Day students; this is included in their program. However, if we have space, we will accommodate School Day and Half Day students who need care on those days.

If you plan to utilize the two weeks of daycare in June (regardless of program), please sign up on the sheet that will be posted on the bulletin board in May. Please indicate the days you will be needing daycare and the hours you will be dropping off and picking up your child. Because daycare is reserved for Full Day students, you will be charged at the Full Day rate for these days (\$73/day). The charge will appear on your next statement.

DONATIONS DUE

Please remember that each family is contractually obligated to make a \$400 total donation to the school by the end of the school year. If you have any outstanding donation amount, please turn it into the office as soon as possible.

SUMMER SCHOOL

Please remember that any changes to your child's summer school enrollment must be received in writing by **May 28th**. After that date, you will be financially responsible for all sessions in which your have enrolled your child, whether or not s/he attends.

CONSIDER USING NATURAL CLEANING PRODUCTS

Cleaning our homes is necessary for our health and well being. But, did you know that using cleaning solutions with caustic ingredients like chlorine bleach and phosphates can harm our health (i.e. asthma) and the environment?

Lucille, one of our Primary 1 teachers, would like to tell you more about using EcoSense, a line of natural, effective cleaning solutions that make your home a healthier, cleaner, and safer place for our kids -- all while reducing the impact on the environment and your pocketbook. In addition, One World will receive 7% of every purchase made through Lucille's referral. E-mail her at lucillesatana@yahoo.com for more information.
