# *Montessori Elementary Course—Summer 2011*

The Maria Montessori Teacher Training Center is offering an elementary level Montessori teacher certification program, starting with an introductory course in Summer 2011. The summer course is open to anyone, and demonstrates how our course differs from other elementary training programs. Our program is based on Montessori's cosmic Plan of Education as it unfolded in India, rather than her European model. For those wanting certification, this course will begin the sequence. There will be a 4 week intensive course in Summer 2012, followed by a required internship/practicum period. Certification will be issued in Summer 2013.

To enroll, **please return this form to the MMTTC by May 15, 2011** . You may also fax this letter to the MMTTC at (408) 723-9443, or e-mail your preferences to [teachertraining@oneworldmontessori.org](mailto:teachertraining@oneworldmontessori.org). You will be sent an enrollment packet.
